

Chuck Seidel, PMP is an accomplished leader with over 20 years' experience in program management, supply chain management, manufacturing, budget development, and financial management.

He has led integrated product teams at various levels with dollar sizes ranging from \$50M/year to \$1.5B/year with a focus on cost, schedule and performance.

Chuck is currently the Subject Matter Expert (SME) supporting the Munitions Division at Hill AFB regarding development, procurement, and sustainment of multiple Air Force munitions.

Prior to this role, he spent 12 years in the US Air Force; culminating in his last role as Division Chief, Program Integration for Long Range Strike Bomber at the Pentagon, where he led specialized team that coordinates the activities of 77-member program office for \$70B program and as a key advisor to program director for planning, programing, and budgeting efforts with Congress. He possesses an active Top Secret/SCI clearance.

He is currently the PMI Savannah Chapter's Military Liaison supporting active military personnel and those transitioning to civilian life who are interested in Project Management and the program PMI offers to support them.
